WALCOTT'S BLOWS SENT
CARTER TO THE FLOOR

Little Man Won Decision Over Heavy-Weight in Fifteen-Round Bout, but Verdict Was Not Approved by Spectators.

(Special to The Evening World.)
BOSTON, Oct. 14.—Joe Walcott, the champion welter-weight, won new laurels last night when he got the decision over "Kid" Carter, the heavy-weight, of Brooklyn, in their fifteen-round bout at the Criterion Club.

The "Black Demon" did not have much "on" his man, who had beaten him twice, when the mill was concluded, and the decision was unfavorably received. The opinion prevailed that a draw was the best Walcott should have had, although he was not in a bad way at any stage, while Carter almost saw his finish in the opening round.

It was a grand contest before a crowd of five thousand. Carter was a strong favorite, because of his previous victories over Walcott, and plenty of money was wagered on the Brooklynite at odds.

Both men took punishment that only perfect condition could stand, and the terrific punching by Carter would have finished any other man than the strong colored fellow.

Carter's Wicked Night in Good Form

Carter worked his right regardless of his defense, and drove his fist against Walcott's ribs and head with awful force. Walcott met Carter at every turn and countered him, working in some hard jolts that were wearing.

The first round had hardly opened when Walcott smashed Carter on the head with his right and the "Kid" went down. He took the count, but got up in time to clinch.

Carter Down Again.
Carter looked confused, while Walcott was perfectly cool. The "Demon" crossed several rights to the head, and a right sent Carter to the floor again. He got to his feet before being counted out, but was groggy when he went to his corner.

It looked like a short bout, but Carter came up strong in the second and began driving straight rights into Walcott's body. Both mixed it for all they were worth, and were landing rights and lefts when the gong sounded.

Carter Used Strength.
In the third round Carter missed his swings and Walcott went to him with short-arm jolts. Carter was in his aggressive mood in the fourth and did the forcing, landing hard rights. Walcott doing the inside work.

In the fifth Carter was in front with his wicked right, reaching the ribs and head. Walcott in the seventh, and shifting his lead, swung bad lefts. He ducked a vicious uppercut. Carter continued to send his right crashing into Walcott's body in the eighth, but in exchanges Walcott broke even.

Walcott Looked for Final Blow.
Carter ran at several rights and lefts in the tenth, but scored with rights to the head. For the remainder of the distance Walcott was looking for a chance to get in a finishing blow, but Carter hammered him with his right. They continued to trade blows, Walcott reaching over with both hands.

JEFFRIES BEGINS TRIP TO NEW YORK
Jim Jeffries will be in New York about Oct. 22. In a telegram to the sporting editor of The Evening World Billy Delaney says that the big fellow left Los Angeles yesterday. He will stop over in Chicago for a day or two and then finish his journey East. What his plans are Delaney does not know, but it is likely that on his arrival he will at once endeavor to close negotiations for a fight with Jack Munroe to be decided on the coast some time during the winter.

WANDERBILT BUYS MORROKO
PARIS, Oct. 14.—An agent of W. K. Vanderbilt bought Morroko, the winner of the Prix Du Fene, at the Colombe races to-day for \$50,000.

Quos Ego, belonging to Mr. Vanderbilt, ran third in the race for the Prix D'Eretat.

NEWTON'S GOOD RECORD.

"Doc" Newton, the pitcher of the Los Angeles (Cal.) team, who pitched such great ball for Ned Hanlon's team two seasons ago, is the best twirler on the Pacific coast. He has pitched thirty-eight games to date and won twenty-nine of them.

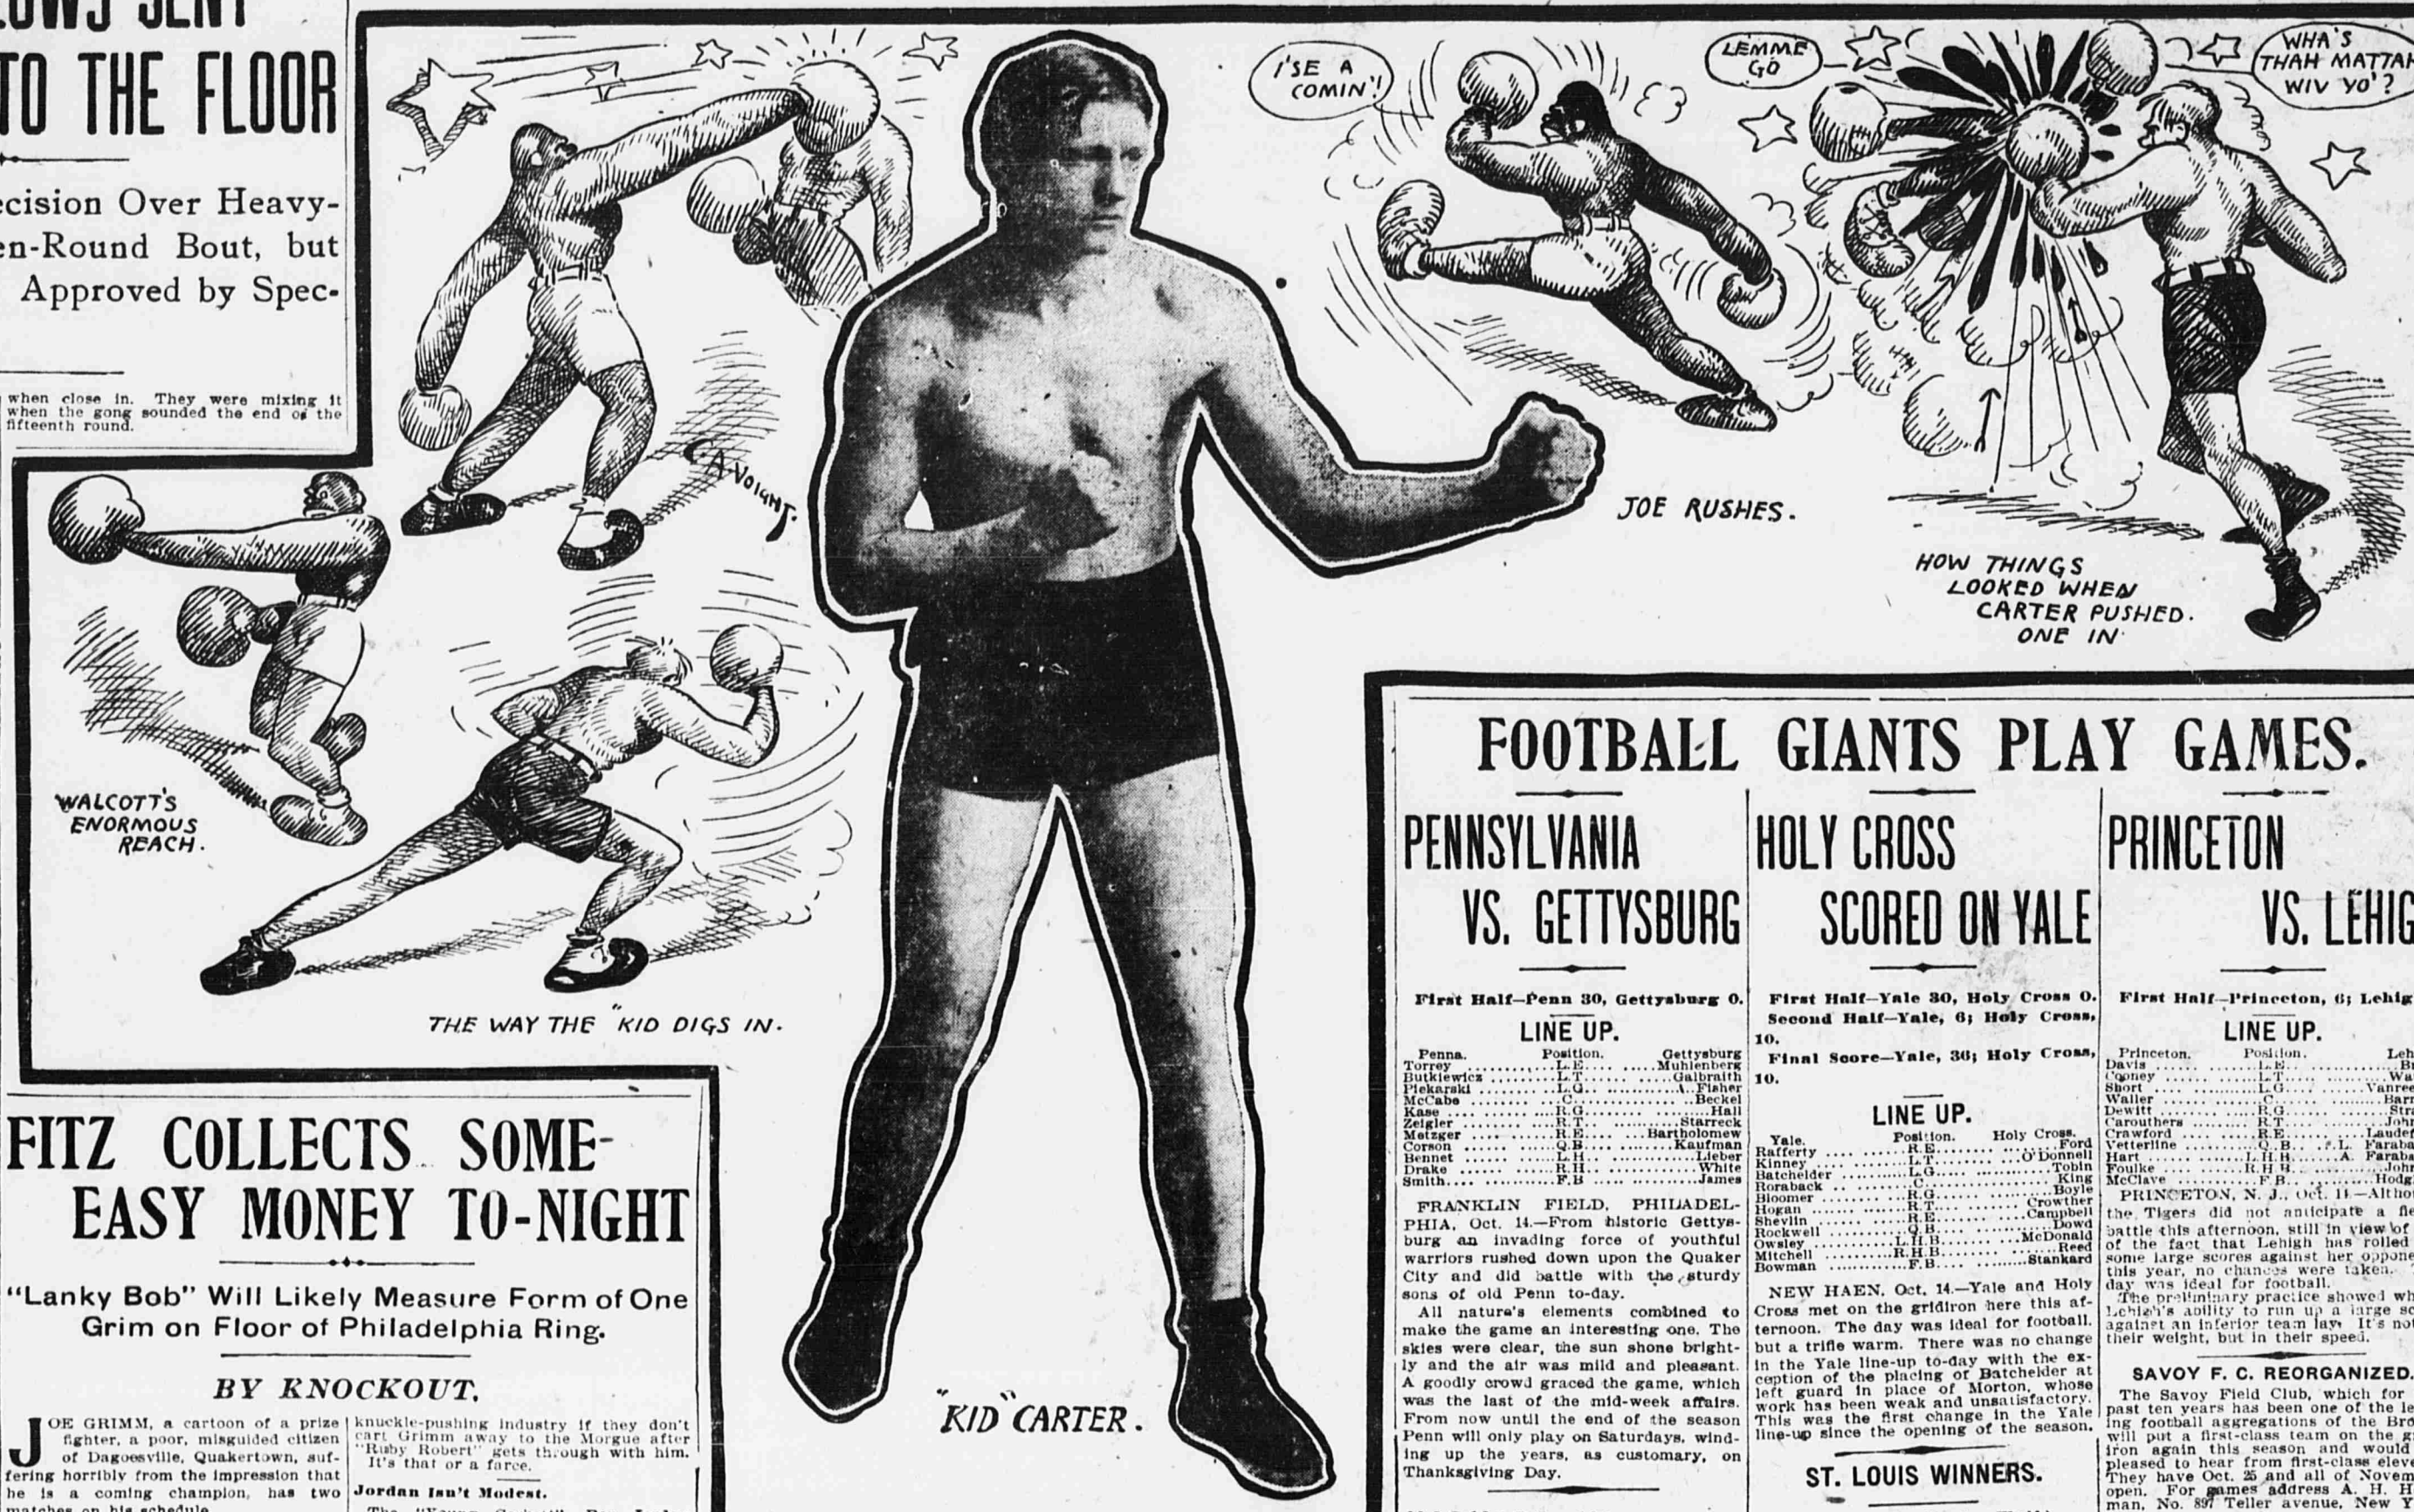

CLAUDE AT SHEEPSHEAD.

Claude, the great Derby winner, is quartered at the Sheepshead Bay track, but it is not likely that he will face the barrier in this vicinity. His owner, M. J. Daly, is also here, and he says he expects to give Claude a rest, and in about ten days ship him to San Francisco. Daly, however, will race some of his string on the metropolitan tracks.

ANOTHER FOR FORBES.

Chatter Goodwin, the feather-weight champion of Boston, and Harry Forbes have been matched to meet in a twelve-round bout before a club in Boston, Nov. 1, at 20 pounds.

"KID" CARTER AND SOME OF THE THINGS WALCOTT DID TO HIM.

FITZ COLLECTS SOME
EASY MONEY TO-NIGHT

"Lanky Bob" Will Likely Measure Form of One Grim on Floor of Philadelphia Ring.

BY KNOCKOUT.

JOE GRIMM, a cartoon of a prize fighter, a poor, misguided citizen of Dagoesville, Quakertown, suffering horribly from the impression that he is a coming champion, has two matches on his schedule.

The first, which takes place to-night in Philadelphia, is with Bob Fitzsimmons, ex-heavy-weight champion of the world.

The second, to take place next Monday night, is with Joe Gans, the world's light-weight champion.

Gans can fight, despite a lot of "pipe" stories to the contrary, at 133 pounds. Fitzsimmons will almost have to cut a leg off to make 135 pounds, the weight at which he meets George Gardner in San Francisco next month.

Gans's manager, Al Herford, is unquestionably a shrewd matchmaker. He would not make a match for Gans which he was not almost positive he could win. He is very confident the light-weight champion will defeat Grimm next Monday night.

Now draw the deadly parallel. You don't need a carpenter's level to do it, do you? It will be a lucky thing for the

knuckle-pushing industry if they don't cart Grimm away to the Morgue after "Baby Robert" gets through with him. It's that or a farce.

Jordan Isn't Modest.

The "Young Corbett" - Ben Jordan match is still out on a limb.

The Britisher is ready to come over here at any time he is guaranteed what he thinks his services are worth—and he's not modest, by any means.

The weight question has been adjusted, and the only thing that now remains is for the "Frisco" clubs to guarantee the necessary apportionment to Mr. J.

Has Terry the "Candy" Punch?

Terence McGovern is training for his battle with Jimmy Briggs, which takes place in Boston next Tuesday night, at Reading, Pa.

"It's the candy spot," writes Trainer Charley Mayhew, "and Terry will put this Boston wonder to sleep sure pop." If he does, then Terence will be there with a "candy" punch.

Mr. Briggs has a jaw like a wooden man and a defense that answers his purpose a bit better than would a bulwark of tangled barbed wire fence. And he's a champion sprinter, too.

Ring Battles To-Night.

Bob Fitzsimmons vs. Joe Grimm, six rounds, at Philadelphia. Jimmy Briggs vs. Mike Sears, ten rounds, at Lewiston, Me.

Harry Forbes vs. Tommy Feltz, ten rounds, at Metropolitan A. C., Detroit. Herman Miller vs. Jimmy Farren, twenty rounds, at Savannah, Ga.

Jack Lowery vs. Jack Dorman, to a finish, in New Jersey.

FORBES AND FELTZ TO-NIGHT.

A battle between little fellows is to be fought to-night. The contestants will be Harry Forbes, the ex-bantam-weight champion, and Tommy Feltz, of South Brooklyn. They will clash in a ten-round bout at the opening boxing show of the Metropolitan A. C., of Detroit.

They fought twenty rounds in St. Louis several months ago, and Forbes got the decision.

BILLY MURPHY AGAIN.

Billy Rotchford, the Chicago feather-weight, and Billy Murphy, the erratic Australian fighter, who has been fighting long enough to be retired on a pension, have been signed to meet in a ten-round bout at Kansas City during the latter part of next month.

ROOT GETS A FIGHT.

Jack Root, the Chicago light heavy-weight, who has not fought since last July, is at Pueblo, where he will be matched in a few days to fight Jim Flynn, of that city. They will box a twenty-round bout and Root is to receive \$600 for his series.

HERRERA'S TWO FIGHTS.

Aurelia Herrera will be kept busy for a time. His manager, Billy Bishop, has signed articles for him to fight Louis Long a twenty-round bout at Vancouver to-morrow night, and Eddie Santry, of Chicago, for a similar number of rounds at Anaconda, Mon., on Oct. 24.

MOWATT WILL NOT FIGHT.

"Young Mowatt," the Chicago feather-weight, has flunked out of his ten-round bout with "Kid" Broad, which was to have taken place at New Orleans on Oct. 22, and "Kid" Hermann, another Chicago fighter, has been substituted.

A BOUT FOR MUNROE.

An effort is being made by George Mo-

"KID" CARTER AS HE IS IN THE RING.

His 175 pounds were not enough to withstand the rushes of Welter-Weight Joe Walcott in their bout last night.

KID CARTER.

BENEFIT GAME FOR THE GIANTS

The New York Giants are to have a benefit game on Sunday, and no doubt many fans will be on hand to bid their favorites farewell for the year. The contest will be decided on the Catholic Protective grounds, on One Hundred and Seventy-seventh street, in Westchester, and the Murray Hills, the champion semi-professional team of the East, will be their opponents.

Two weeks ago the Murrays met the Giants, and the latter only won out by a small score after a hard fight. In the game on Sunday, says Acting Manager Johnny Dunn, Leon Ames, the new Giant, will positively appear in the box against the Murrays. Willie Deegan, for the Murrays, is anxious to beat his old man and will no doubt pitch the best game of his career.

Johnny Dunn will take the Giants to Peekskill to-day and there play the strong nine of that place. Cronin will pitch.

MISS ADAIR ON BALTSUSROL LINKS

Miss Rhona Adair, the champion woman golfer of Great Britain, will probably be seen in action in the metropolitan district. Mrs. W. Fellowes Morgan, of Philadelphia, has invited her to take part in the open-tournament play at the Baltusrol Club. She may play an exhibition match with Mrs. E. A. Manick, the champion of the metropolitan district.

FIRST INDOOR MEET.

Nearly three hundred entries have been received for the big open athletic meet of the Grace Club at the Eighth Regiment Armory on Oct. 31. They are the first indoor games of the season, and it promises to be one of the most successful of armory meets.

CHAMPION ROBL COMING.

Theodore Robl, who claims to be the champion bicycle rider of the world, is coming to America. He is expected to arrive here in about ten days or two weeks, and will, if possible, arrange matches with some of the champions on this side.

JENKINS IN 'FRISCO.

Jockey Clem Jenkins will ride in California this winter. He intends going to England in about two weeks to attend to some private business, and on his return will go to the coast.

PREPARING FOR SKATERS.

Clifford E. Dunn, President of the Amateur Skating Association of the United States, is busy preparing plans for the approaching season. "In about two weeks," says Mr. Dunn, "we shall open a part of the season, and we are favored with sufficient ice there will be the best skating ever seen in this section of the country."

POLO CLUB BASKET-BALL TEAM.

A basketball team of the New Polo A. A. would like to meet teams weighing 130 pounds in and outside of New York. Address Fred Nolan, New Polo A. A., One Hundred and Twenty-ninth street, and Park Avenue, city.

FRANKLIN FIELD, PHILADELPHIA, Oct. 14.—From historic Gettysburg an invading force of youthful warriors rushed down upon the Quaker City and did battle with the sturdy sons of old Penn to-day.

All nature's elements combined to make the game an interesting one. The skies were clear, the sun shone brightly and the air was mild and pleasant. A good crowd graced the game, which was the last of the mid-week affairs. From now until the end of the season Penn will only play on Saturdays, winding up the years, as customary, on Thanksgiving Day.

CAMBRIDGE, Mass., Oct. 14.—Harvard played Wesleyan at Cambridge this afternoon in the last minor game of the Crimson schedule. From now on Harvard will have hard games and will start off with a difficult proposition when she tackles West Point next Saturday.

The Crimson eleven was materially strengthened to-day by Capt. Marshall's return to the game. The little quarterback has been laid up for two weeks, and because of his absence the team has developed very little speed and dash.

NEW HAVEN, Oct. 14.—Yale and Holy Cross met on the gridiron here this afternoon. The day was ideal for football, but a trifle warm. There was no change in the Yale line-up to-day with the exception of the placing of Batchelder at left guard in place of Morton, whose work has been weak and unsatisfactory. This was the first change in the Yale line-up since the opening of the season.

PRINCETON, N. J., Oct. 14.—Although the Tigers did not anticipate a fierce battle this afternoon, still in view of the fact that Lehigh has rolled up some large scores against her opponents this year, no chances were taken. The day was ideal for football.

The preliminary practice showed where Lehigh's ability to run up a large score against an inferior team lay. It's not in their weight, but in their speed.

SAVOY F. C. REORGANIZED.

The Savoy Field Club, which for the past ten years has been one of the leading football aggregations of the Bronx, will put a first-class team on the gridiron again this season and would be pleased to hear from first-class eleven. They have Oct. 25 and all of November open. For games address A. H. Hoffman, No. 57 Teller avenue, New York City.
